Thank you, Space Cadets!
You're the best.

I'm glad you exist.

Oh, Amy?

Yeah?

Diva

"this is a fan art of Amy from Space Boy!

I wander through random set pieces-- hand painted trees and giant paper mache mushrooms.
It's a magic forest, radiant with

you should be home free.

What?
You're not coming?
No.
If I jump down there I'd have to leave the skylight open.
Security would find it and keep chasing
